

Insurers with approved Decision Point Review/Precertification Plans

Below is a list of automobile insurance companies that have had approved Decision Point Review/Precertification Plans since the issuance of Department Bulletin 99-07. Also included is the date of the letter from the Department approving each Plan.

Insurers implemented their plans in varying ways after approval but all Decision Point Review/Precertification Plans require that the insured and provider be notified in writing on how to comply with Plan provisions upon notice of claim. Therefore, notice of plan requirements received by an insured or provider after the date of a plan's approval letter should be presumed to have been sent in accordance with the approved plan.
